Subject: RSVP for FMT Dec 12-13 Workshop

Dear Forum Members,

Planning is under way for our December 12-13 workshop on "Urbanization and Slums: New Transmission Pathways of Infectious Diseases in the Built Environment," to be held at the National Academies Keck Center in Washington, DC. Please help us accommodate your attendance by sending your RSVP through [this link](#). A confirmation email will be sent to you after you submit your responses.

As always, feel free to reach out to me if you have any questions or changes to your plans. We hope you will be able to join us in December.

Best regards,
Anh
